Six TKS cable television channels will temporarily go off-line Germany-wide, sometime between the Sept 20 and 28 for transponder upgrades. The six channels affected include **AXN, BBC Prime, Extreme Sports, NASN, National Geographic and Toon Disney**. These channels will be out of service for no longer than two days in some cases, however in many housing areas, the outage may be less than that. TKS technicians will do everything possible to restore the six channels to full service in all areas as soon as possible.

NOTE: AFN channels and all other TKS cable television channels will not be affected. Any other type of persistent AFN or TKS reception problem however should be immediately reported to the TKS Hotline at 01804 857 762 (0.24 EUR/call) or to a local TKS Shop.

B.S.C.C. looking for Community Organizations in need of Financial Assistance

Did last years bake sale revenues fall short of funding this years operating budget for your private organization? Look no further. Your organization may be eligible to receive funding from the Bamberg Spouses' and Civilians' Club. The BSCC is currently accepting requests for financial assistance from community organizations for the 2006-2007 board year. All requests must be reviewed, and then submitted to the BSCC board for approval. We will not be accepting requests on a monthly basis. Requests over \$500 must be accepted by the board and then submitted to the general membership for a final vote.

The vast majority of welfare donations for the year will be made after proceeds from the annual bazaar are received. Please forecast your organization's needs for the upcoming year, as we work towards benefiting as many community organizations as possible

Deadlines for requests are December 1, 2006 and March 2, 2007. All requests received by these deadlines will be researched and prioritized.

E-mail stephaniew.leeds@us.army.mil for a Welfare Request form.

You Can Make a Difference!

Take EUCOM Quality of Life Survey by Oct. 18

The U.S. European Command leadership wants to know what you think about the quality of life in Europe. The EUCOM 2006 Quality of Life Survey is available online at www6.eucom.mil/qol. until October 18, 2006.

The survey is divided into several sections including health-care, housing, family member education, morale welfare and recreation and single service member issues. You are encouraged to fill in the sections that only apply to you.

"This survey is formatted slightly differently than other surveys," says Wayne Boswell, EUCOM Quality of Life Branch Chief. "It has more areas for write-in answers instead of blocks to check; we hope to really get what people are thinking, in their own words, instead of statistics." Although each branch of the service usually conducts their own surveys, EUCOM wants to get an overall feel of how satisfied personnel in Europe are with their quality of life.

Boswell's staff is scheduled to analyze the survey during the month of November and post the results on the EUCOM website in December. The survey is available at www6.eucom.mil/qol.
